**Permission for an advance of Rs.50,000 towards expenditure during physical verification of RUSA 1.0 institutions**

As per existing financial guidelines Rs.10,000 is permitted to draw as petty cash to meet miscellaneous expenditure by the O/o SPD-RUSA. To conduct meetings Coordination, Committees and physical inspections of 56 colleges of RUSA 1.0, the said advance of Rs.10,000 is highly inadequate.

In view of the above, to meet the expenditure for conducting physical inspections, meetings, attending works on OD etc., it is estimated that at least Rs.50,000/pm as an advance may please be permitted so as to complete the inspections, works mentioned and the bills will be submitted for eligible expenditure. The advance may be paid from the available preparatory grants.

**Item No.6:**

**Approval of the Draft of Cluster University act to submit to GoAP for necessary action.**

In the SHEC meeting held on 3.7.2018, it was resolved to constitute a Committee by the APSCHE, to prepare the draft of the ClusterUniversityact keeping all regulations in vogue and issues of existing Act. The committee constituted by APSCHE, comprises the chairman, Vice-Chairman and Secretary of APSCHE along with the external experts Prof. C.R. Visveswara Rao, former vice chancellor of Vikram Simhapuri University, Nellore and Prof. N.Rangaiah, Former Registrar of ANU Guntur, who were also involved in the Preparation of existing University act.

In the light of the above, the Committee has met periodically and prepared the Draft of Cluster University act. The same is placed in **Annexure –V.** (Page No. 26-77)

Placed before the council for discussion and approval

**Item No.7:**

**Maintaining the MIS data of all HEI S of the State to integrate central MIS Portal of MHRD-RUSA.**

In the meeting held at New Delhi on 1.11.2018 and video conference on 05.11.2018 by the Secretary, DHE, MHRD, & RRC-RUSA, all the states were directed to furnish MIS data of all state HEI's through the portal specifically opened for the purpose. The HEI's include all types of Govt, Govt aided, and private unaided institutions including Universities.

The MIS portal of NHERC comprises the information on institution data and institute level changes on the following items/Questions. The date for the last 6 years i.e. from 2013-14 to 2018-19 is required by all institutions. Necessary documentary evidence shall also be uploaded in PDF format for respective questions, by the institutions themselves.

The questions in MIS data are related to details on

- NAAC
- Faculty
- Students(UG&PG)
- Collaborations
- Awards
- Research Publication & Projects
- Sources of funding
- NIRF
- Courses
- Placements etc

The details of Questions in MIS and the data filled by one institution as an example is shown **Annexure-VI.** (Page No. 78-84)

The O/o SPD-RUSA has informed the same to the O/o CCE and APSCHE to direct all the institutions under their control to get the details in stipulated period (last date 20.10.2018 and extended dated up to 30.11.2018 by MHRD). In due course of time the O/o SPD-RUSA has been contacting both RUSA institutions and non – RUSA Colleges & Universities and guiding them in filling up the data. However very low response was observed from non RUSA institutions resulting, the state with low performance score in respect of uploading NHERC-MIS data.

Inspite of repeated contacts/emails some of the institutions have not even registered / uploaded the proper documents as PDF as evidence, though the data in figures is filled by colleges.

Even the data required at state level and to be filled by the O/o SPD-RUSA could not be done completely as not much information is available neither from APSCHE nor from O/o CCE with regard to total faculty details, vacancy details, Student details, College details, University details, accredited details etc as a result of which the required data could not be furnished to NHERC – MIS data and no documentary evidences could be uploaded in this context. A comprehensive action plan and a working committee may be constituted for obtaining the required details to fill MIS data of NHERC of MHRD-GoI.

Placed before the council for discussions and directions.

**Item No.8:**

**Performance of the State in submission of UC's reform agenda, best practices, other pre-requisites and conditionalities to be fulfilled to GoI.**

During review meetings of the states by MHRD-RUSA, the '**Resource envelop**' to each state will be announced. The Resource envelop i.e.

quantum of release of grants based on the performance of the state. The funding under RUSA would be **norm-based and future grants would be performance-based and outcome dependent** is one of the key features of RUSA scheme.

Hence the 'Resource Envelop' is calculated basing on the fulfilment of prerequisites at both State and institutional level. The following are the **prerequisites and the commitment** given by the state to centre, while submitting the SHEP to GoI.

### **States**

- Setting up of SHEC
- SHEP (including Perspective Plan, annual Plan and Financial % work Plan

In respect of **Reform agenda** i.e. Academic, Governance, Administrative, Examination and affiliation reforms, the State Performance is below the expected levels, as expressed by MHRD-RUSA authorities during review and interaction meetings.

In the above context the council is requested to make a thorough discussion on the above reforms and best practices to be implemented by the State as whole and institutional in particular.

Submitted for discussion and directions.

**Item No.9:**

**The ICT related equipment – a) Digital Podium with Video Conferencing and Digital Class room equipment, integrated with LMS b) RUSA Computer Lab c) Science lab Equipment under equipment head for all RUSA 2.0 Colleges for effective T-L activity.**

The most striking innovation in the field of Higher Education is the introduction of ICT for Implementing effective T-L processes at UG level. Neo-ICT resources like **LMS, MOOCS, virtual** and **digital class rooms** set up etc. are the expectations of curriculum frame work in New Education Policy.

Duly recognizing this, blended learning having transformative potential of T-L process, a meeting with the Principals of 42 Colleges in RUSA 2.0 was held and obtained the feedback through e-mails with regard to the requirements of equipment under infrastructure grants. Hence it was resolved in the meeting with Principals of RUSA 2.0 Colleges, to procure the following ICT enabled T-L equipment through e-tendering process by the O/o SPD-RUSA.

**CLUSTER UNIVERSITY – KURNOOL**  
**MEMORANDUM OF FINANCIAL IMPLICATIONS**

Rashtriya Uchchathar Shiksha Abhiyan (RUSA) is the final tier of the centrally sponsored Schemes of MHRD which began with Sarva Shiksha Abhiyan (SSA) and graduated to Rashtriya Madhyamika Shiksha Abhiyan (RMSA) This scheme was approved by the Union Cabinet Committee on Economic Affairs on 3<sup>rd</sup> October, 2013.

It is the most ambitious initiative and comprehensive scheme for higher education and will be spread over the 12<sup>th</sup> and 13<sup>th</sup> Five year plan periods for funding the States, the State Universities & colleges to achieve Access, Equity and Excellence. The UGC Schemes such as development grants for State Universities and Colleges, one-time catch-Up Grants etc., have been dovetailed in RUSA and the individual oriented schemes will continue to be handled by the UGC.

As a prerequisite, the Higher Education Department, with the prior approval of the Planning and Finance Department, conveyed its willingness to the MHRD, GoI on 25.10.2013 to participate in the scheme on and also committed itself to accept and abide by all the decisions of the RUSA Mission Authority and to fulfil all the prerequisites under the scheme.

Subsequently the State Higher Education Council (SHEC) was constituted, vide Lr.No.1919/TE/A2/2016 Dt: 01-08-2016 of the Government of A.P. The SHEC, in its meeting held on 01-08-2018, suggested that the APSHEC should constitute an Expert Committee to prepare the Cluster University Act and its Financial Implications.

The State Project Directorate (Mission Directorate), RUSA, was created by the State Government vide GO.MS NO-46 HE(UE) dated 30/8/2014 as also the Technical Support Group. The State Government has also approved the creation of 8 posts of various categories for the State Project Directorate against which 7 posts have already been filled.

Creation of Technical Support Group was approved by the Government A.P and 4 posts were created and filled vide Lr.No.2562/TE.A2/ 2016-1 dated 09-05-2016. The PAB has approved Rs.10.43 Crores for the establishment of the Mission Directorate A.P (SPD).

The Government of India and the Government of A.P have already released 99% of their respective shares under RUSA 1.0

The Project Approval Board of RUSA, MHRD, so far has approved an amount of Rs 357.43 Cr. under 7 components of the scheme under RUSA 1.0. As per the RUSA guidelines, the GoI will bear 60% and the AP State will bear 40% and it comes to Rs.214.48 Cr for the GOI and Rs.142.95 Cr for the Government of AP.

So far, the MHRD, Govt. of India, has released an amount of Rs.149.38 Crores from 2014-15 to 2018-19 and the State Government also released an amount of Rs 97.29 Crores from 2014-15 to 2018-19 under RUSA 1.0

The 9<sup>th</sup> PAB, GoI inter alia has approved one Cluster University for the A.P State at Kurnool for addressing the critical gaps in the spatial distribution of higher educational Institutions across the State. The Cluster University is being created by pooling the resources of 3 existing colleges that have adequate academic, physical and technical infrastructural facilities. The three Colleges coming under the Cluster University are i. Silver Jubilee Government Degree College, Kurnool, ii. K V R Govt. Degree College for Women, Kurnool, and iii. Govt. Degree College for Men, Kurnool. These three colleges function within a radius of 5-6 km in Kurnool City.

To supplement the existing infrastructure of these identified colleges, additional infrastructure is being created to cater to the requirements of the Cluster University. An amount of RS 55 crore is the total approved allocation for the creation of infrastructure for the Cluster University, Kurnool. The Government of India's share is Rs.33 crores and the State Government's share is Rs.22 crores. The State Government has already consented to bear the recurring expenses for running the University, while conveying the approval of the State Higher Education Plan.

The administrative approval for the establishment of the Cluster University, Kurnool, stands accorded vide G.O.No.128 HE (TE) dated 02.08.2017 and G.O.No.1644 Finance (FMU-EDU) dated: 24.7.2017. The Government has released an amount of Rs 27.75 Cores to the Principal, SJGDC (Silver Jubilee Government Degree College), lead college, for the execution of civil works through the Executive Engineer, AP EWIDC, Kurnool, for the creation of requisite physical infrastructure for the University. The

construction work of the various blocks of the University in the three colleges is in progress and Rs.13.5 crores is already utilized.

The student Teacher ratio will be 27 : 01, if all existing vacancies are filled up (4400 students : 163 faculty). The present sanctioned faculty positions of 163 for the 3 Colleges can be utilized for the Cluster University for running the current U.G courses. It is therefore desirable to utilize the services of the present regular faculty i.e. 93 Lecturers / Readers available in 3 constituent colleges for making the university functional from the academic year 2019-20. Out of 93 regular faculty, 45 possess Ph.D Degrees, 17 possess NET. The existing 93 faculty and 61 non-teaching staff at present working may be temporarily deputed to the University until further orders of the Government, without their foregoing their present service benefits. Also preferably the total sanctioned strength of 163 teaching staff and 103 non-teaching staff may be made over to the University since it is committed expenditure for the Government since the three Colleges are proposed to be converted into the Cluster University. The Table below shows details of sanctioned posts for the three Colleges to form the Cluster now:

Sl.No.	Name of the college	Sanctioned Faculty posts	Working faculty	Faculty vacancies	Sanctioned non teaching	Working non teaching	Non teaching vacancies
1	Silver Jubilee GDC, Kurnool	42	23	19	38	23	15
2	K.V.R GDC(W)	73	33	40	41	20	21
3	GDC (M)	48	37	11	24	18	06
<b>TOTAL</b>		<b>163</b>	<b>93</b>	<b>70</b>	<b>103</b>	<b>61</b>	<b>42</b>

The expenditure on these 163 faculty posts and the 103 non teaching posts of the cluster university colleges comes approximately to Rs.20 crores per year, which is already a committed expenditure on the State Government, and this may be carried forward to the new Cluster University.

At present there are contract teaching faculty (38 members) working against sanctioned posts engaged for the entire zone but now working in these three Colleges. These contract faculty may be shifted to the other Government colleges and the qualified

Regular Government Faculty from other colleges may be brought to the Cluster University on the same lines of the deputation.

There are common UG courses in all 3 colleges and therefore at the UG level, it may be difficult to earmark these colleges, one for Sciences, one for Commerce and Management and one for Humanities and Social Sciences. This involves an annual recurring expenditure also.

It has also been brought to the notice of the Expert Committee that there are PG courses run by these colleges in the self funding category. Several of these self-funded PG programmes, like English, Telugu, Economics, Political Science etc., are repeated at all these 3 colleges.

However at PG level the streaming of the 3 institutions into 1) Sciences 2) Commerce & Management and 3) Humanities and Social Sciences may be adopted to ensure integration of all the existing PG programmes, as proposed in the DPR.

If necessary, the special character of KVR Government Degree College for Women, Kurnool as an exclusive Women's College for UG courses may still be maintained. However for PG courses and research programmes in that college, both men & women students may have to be admitted.

The Cluster University, Kurnool when formed, will have to meet the UGC requirements of 12-B of a General University in order to be eligible for UGC grants. Hence the Expert Committee is of the opinion that 6 Academic Departments may be started in the Cluster university having a teaching staff ratio of 01 professor: 02 Associate Professors: 04 Asst Professors for each academic department as per the UGC guidelines.
