**Minutes of the 1st PAB held on 17th & 18th January, 2024 under the
Chairmanship of Secretary (HE), MoE**

The 1st PAB meeting of Pradhan Mantri Uchchatar Shiksha Abhiyan (PM-USHA) was held on 17th & 18th January, 2024 under the Chairmanship of Secretary (HE), MoE, through VC. The list of participants is at Annexure-I.

2. The meeting started with welcome address by Adviser (Cost) and a brief on PM-USHA Scheme by Additional Secretary (E).

Secretary (HE) also welcomed all the members of PAB and asked Adviser (Cost) to start the proceedings, agenda-wise.

Agenda Item No.1:

(i) Cancellation of 144 project (as per details in Annexure-2) approved under earlier phases of RUSA 1.0 and RUSA 2.0

The PAB was informed that there are 144 projects where work did not commence timely even after repeated reviews and no Central share has been released so far under RUSA. Accordingly, the matter was placed before the PAB for ratification.

Decision: The PAB approved the cancellation of 144 projects as per Annexure-2.

Agenda Item No.2:

State-wise consideration of proposals by the PAB regarding three components viz. Multi-disciplinary Education and Research Universities (MERU), Grants to Strengthen Universities (GSU) and New Model Degree Colleges (NMDC) of PM-USHA Scheme.

Twenty-six States/UTs namely Andhra Pradesh, Arunachal Pradesh, Assam, Chandigarh, Chhattisgarh, Goa, Gujarat, Haryana, Himachal Pradesh, J&K, Jharkhand, Karnataka, Ladakh, Madhya Pradesh, Maharashtra, Manipur, Meghalaya, Nagaland, Puducherry, Punjab, Rajasthan, Sikkim, Telangana, Tripura, Uttar Pradesh and Uttarakhand had submitted their proposals in respect of three components namely

MERU, GSU and NMDC. The eligibility of the proposals was analysed as per the scheme guidelines & scoring indicators given therein, and scrutiny of documents submitted by the States/ UTs, etc. Accordingly, the eligible proposals were placed before the PAB for deliberation/ decision. All the States/UTs made their presentation in respect of their proposals through VC. While making their presentations States/UTs stressed upon the need to promote higher education in their States/UTs through PM-USHA. Members of the PAB also made their observations on the proposals, including the activities proposed to be undertaken by the States/UTs' Governments and the universities under the scheme. State of Jharkhand informed that one of the HEIs (namely Vinoba Bhave University, Hazaribagh) proposed for MERU, NAAC accreditation is under process. State Insisted that the said HEI may be considered for MERU component and assured the PAB ,if approved, State shall submit the NAAC accreditation of the HEI before the sanction/release of funds. PAB considered the State's request and agreed to the proposal of State Govt. with the condition that the State Govt shall submit the NAAC accreditation certificate in respect of the said HEI to be eligible for sanction/release of funds within the reasonable period of time, failing which the approval shall be cancelled.

Based on the presentations and discussion/deliberations during the individual presentation following agenda item-wise observations/decisions were made by the PAB:

- (i) Priority should be given to universities which have potential to grow and improving their accreditation ranking with the support of funds under this component of the PM-USHA Scheme. Thus, the States/UTs shall have more number of well performing institutions providing quality education.
- (ii) Some of the proposals of the States/ UTs, were skewed more towards infrastructure creation and renovation. Therefore, the States were requested to realign those proposals to upgrade the Universities in the spirit of MERU, i.e. focusing on research potential (publishing more papers & patents) and infrastructure (such as Central Instrumentation Centres) in the University, increasing multi-disciplinarity etc. and not only focusing on creation of infrastructure.
- (iii) It was observed by PAB that States/UTs have submitted their proposals for the same university under both the components namely MERU and GSU. In order to

avoid overlapping and duplication of funding to the same university it was decided that funding shall be made under either of the component.

(iv) It was observed that many of the HEIs have already been approved funds in RUSA 1.0 and RUSA 2.0 but funds utilisation is not satisfactory. Non-utilisation of funds has resulted in slow progress of such projects and adversely affecting the overall performance of the scheme. PAB impressed upon the States/UTs to ensure the utilisation of funds and completion of already approved projects under RUSA 1.0 and RUSA 2.0 at the earliest.

(v) As regards the component of New Model Degree Colleges only 90 proposals were received from the States/ UTs. While considering the proposals relating to NMDC, it was observed that proposals of most of the States/ UTs were found ineligible due to the condition that the district in which the NMDC is proposed should not have any other Government HEIs. The States/ UTs while presenting their proposal expressed that even though the districts wherein NMDCs were proposed, already had existing Govt. HEIs, more number of HEIs were required in certain blocks of those districts, keeping in view the population, topography, long distance between the existing HEIs, GER, Socio- Economic profile etc. Accordingly, the States/ UTs were requested to share the statistics of the institutions in the district, distance between the existing HEIs and the proposed NMDC, GER figures, the geographic/ topographic conditions, socio -economic population profile etc.

After having considerations, the PAB largely agreed with the concerns raised by the States/ UTs and was of the view that the condition of not having any Government HEI in the district for being eligible for the sanction of NMDC is seemed to be hard condition which defeats the aim of the scheme providing access to quality education in the underserved and unserved areas. Hence, this eligibility condition for NMDC needs to be relooked/modified. The PAB suggested that the districts having not sufficient HEIs commensurate with the requirement may be considered to be eligible for submitting proposals after carrying out necessary amendments in the scheme guidelines. After carrying out this exercise, the NMDC component will be reconsidered by PAB after inviting fresh proposals from the States/ UTs.

Decision: After considering the State-wise proposals, the PAB approved the proposals of two components of MERU and GSU as per details given in Annexure-3 and Annexure-4 respectively subject to the following conditions:

(a) Approved educational institutions shall share the resources, especially equipment, facilities, etc. procured/ developed under PM-USHA/ RUSA with the other institutions and shall also upload the same on the Indian Science, Technology and Engineering Facilities Map (I-STEM) of the Office of the Principal Scientific Adviser (PSA) available at website <https://www.psa.gov.in/i-stem>.

(b) Approved educational institutions shall make use of the Samarth initiative of the Ministry, which provides for a fully managed, cloud based, comprehensive ERP that is custom built for HEIs of the country. It shall be ensured by the State that no cost is incurred under PM-USHA for procurement/ development of such ERP systems.

(c) As per the guidelines of the scheme, approved educational institutions shall undertake all the 44 mandatory activities as part of their proposal. The details of the mandatory activities are given in the guidelines.

(d) Approved educational institutions were advised to recheck the proposed outcomes to be in line with the objectives of component under PM-USHA.

(e) Approved institutions shall submit the revised/updated project/activity details that would be undertaken in the approved institutions at the earliest. The institutions shall undertake efforts to increase recruitment of regular faculty in the institutions. The funding to the States/ UTs would be dependent on the efforts made by the them in this regard. The activities/ construction/ renovation would be undertaken as per the State/UT norms like SSR, DSR etc.

(f) The institutions/proposals approved under the scheme shall not use the funds under the scheme for undertaking any of the activities given in the negative list in the guidelines of the scheme.

(g) In respect of Vinoba Bhave University, Hazaribagh approved for MERU, State shall submit the NAAC accreditation of the HEI before the sanction/release of funds within the reasonable period of time, failing which the approval shall be cancelled.

Agenda Item No. 3 – Any other item with the approval of the Chair.

During the discussions the State of Gujarat requested for cancellation of project of H A College of Commerce, Ahmedabad, Gujarat from RUSA 2.0 under the Component-9 'Infrastructure Grants to Colleges' with total cost of Rs. 2.00 crore (Central Share Rs.1.2 Crores + State Share Rs.0.80 Crore) approved in the 12th Project Approval Board (PAB) meeting. The total central share of Rs. 0.90 Crore released to the institution shall be adjusted by the State against future releases and shall be reallocated to other approved institutions.

Decision: The PAB approved cancellation of the project as proposed by the State of Gujarat.

The meeting ended with a vote of thanks to the Chair.

Annexure-I

<u>Participants List of the States/ UTs for the 1st PAB of PM-USHA</u>		
S. No.	State/ Organisation	Participants
1	Ministry of Education, Government of India	Shri K. Sanjay Murthy, Secretary, Dept of Higher Education
2	IGNOU	Prof Nageshwar Rao, VC, IGNOU
3	UGC	Prof Manish R Joshi, Secretary, UGC
4	Ministry of Education, Government of India	Shri Sunil Kumar Barnwal, Additional Secretary (E)
5	Ministry of Education, Government of India	Ms. Manmohan Kaur, Adviser (Cost)
6	Ministry of Education, Government of India	Shri Mukesh Kumar, Deputy Secretary (IFD)
7	Ministry of Education, Government of India	Shri Bherav Dutt, Deputy Secretary Shri Ghanshyam, Under Secretary Ms. Jenice George, Section Officer Shri Amit Singh, Section Officer Shri Robin Gupta, Assistant Section Officer
